

**IN THE DRAWINGS**

Figure 1 has been amended. Specifically, figure 1 has been designated by a legend as  
--Prior Art--.

**REMARKS**

Reconsideration and allowance of the present application based on the following remarks are respectfully requested.

Claims 1-8 have been amended and are pending in this application.

The Examiner stated that Figure 2 should be designated by a legend such as -- Prior Art -- because only that which is old is illustrated. Applicant submits that Figure 2 illustrates the present invention. On the other hand, Figure 1 illustrates conventional art. Accordingly, Applicant herewith submits amended Figure 1 showing the changes marked in red. Upon indication of Notice of Allowance, Applicant will submit a formal drawing for Figure 1.

Claims 1-8 stand objected to because of the informalities. Each of the informalities pointed by the Examiner has been carefully reviewed and amended. With regard to the amendments to claim 7, Applicant has made additional changes in order to make the claim clear and definite. Applicant submits that all of the claims are now clear and withdrawal of the objection to claims 1-8 is respectfully requested.

Applicant notes with appreciation that claims 1-8 contain allowable subject matter.

All objections and rejections having been addressed, it is respectfully submitted that claims 1-8 are now in condition for allowance and a notice to that effect is earnestly solicited. If any issues remain to be resolved, the Examiner is cordially invited to telephone the undersigned attorney at the number listed below.

Respectfully submitted,

MAYER BROWN ROWE & MAW LLP
